

CALL FOR REVIEWERS

The *Texas Journal of Literacy Education* needs your help. Please consider contributing to the quality of TJLE by sharing your expertise and serving as a peer reviewer. Responsibilities include reviewing approximating 1-3 manuscripts per year in a timely manner, usually within 4-6 weeks, with possible second reviews for manuscripts resubmitted for a second round of review.

Serving as a peer reviewer can help you better understand the manuscript publication process from the inside out, helping you with your own writing goals. Considered important service to the field, serving as a peer reviewer is a great way to become involved in TALE, and is truly what strengthens the research community.

If you are interested in joining the Editorial Board as a peer reviewer, please email us at tjlejournal@gmail.com with a current CV or resumé attached. University faculty, graduate students, and K-12 educators are all invited.
